Committee Room, City Hall,
April 7th, 1920.

TENTH MEETING (Special).

NO. 1 COMMITTEE meets in the Committee Room, City Hall, on Wednesday, April 7th, 1920, at 8.10 p.m.

PRESENT: Alderman Cunningham (Chairman) Brighton, Bridge and Dr. J.C. Wilson, and Messrs. Adams, McQueen, Stewart, Nash, Rountree and Philip.

255. PLAYGROUNDS (See pars. 101 and 246).

The Chairman states that the meeting had been called for the purpose of discussing playground arrangements.

Mr. Adams states that the Committee had approved of the placing of the management of the Playgrounds under the Utilities Commission, and they would be quite willing to assist in any way possible.

The Chairman states that the Committee were in favor of placing the management of the playgrounds in the control of the Parks, as it was thought it could be more economically managed, but the majority of the Committee appeared to think that the payment of the accounts should be passed by the City Council.

Alderman Bridge moves, and it is adopted, that the Council request the Public Utilities Commission to take charge of the playgrounds matter, and that the Commission be asked to secure nominations from members of the Special Committee on Playgrounds to act as an advisory Committee, and further that the accounts for playgrounds be submitted to the City Council for payment when passed by the Utilities Commission.

General matters of Playgrounds control are informally discussed.

Upon motion the Committee adjourned.

.....
Chairman.
